# 10 Great Ideas for Connecting

## #MomentsMatter

### ***Scavenger Hunt***

Organise a street or community scavenger hunt – finish with a BBQ!

### ***Homework/Study Club***

Start a homework club where everyone can do their homework together and help each other. Invite neighbours to be involved!

### ***Group Meals***

Put a call out to people who like to eat with company and take in turns preparing meals and sharing or eating together.

### ***Weekly Catch Ups***

Whoever is free drops in to say hello at a designated house or front porch. This may or may not include having drinks or snacks – it's more about being social!

### ***Photo Competition***

Invite neighbours to take photos of the things they love about their street. Exhibit the photos in the street and request a donated prize from a local business. Host a celebration for the photography competition.

### ***Walking Group***

Start a street walking group – with or without furry friends! Set a regular time each week to talk and walk.

### ***Street Library***

Put a recycled cabinet in a front corner of someone's property for leaving/sharing books.

### ***Random Acts of Kindness***

Carry out random acts of kindness for others in the street, particularly the elderly or those who live on their own, and new residents!

### ***Movie Night***

Set up the TV or projector if someone has one, set up chairs and blankets, make popcorn and have a community movie night. Can be inside or outside or in a communal shared space!

### ***Social Media Chat***

Create a closed street Facebook, Instagram or WhatsApp group. Invite your neighbours to join via a letterbox drop. Use the group to share ideas, swap items or services and generally support each other.
