

You're invited
to celebrate your
neighbours...

Looking forward to
meeting you!

Neighbours Every Day | *Relationships Australia*

Each year, on the last Sunday in March, the Neighbours Every Day campaign invites everyone to celebrate and connect with their neighbours.

Having connected communities for over 20 years, **Neighbour Day** is Australia's annual celebration of community, encouraging people to take action and connect with others.

The day provides a focus point for celebrating everything we can achieve by living the vision of **Neighbours Every Day**. The theme for **2023** is '**Create Belonging**'.

Everyone can contribute to this vision by taking every day actions that create social connection and foster respectful relationships.

We can all work to create belonging: for ourselves, for our families and friends, and for our neighbours. We can do this by focusing on inclusion and connection, making others welcome, and by building respectful relationships with those around us.

On the last Sunday in March we invite everyone to think about what they can do to **Create Belonging!**

Join us to celebrate!
