

Neighbours Every Day

Belonging Every Day
Sunday 29 March 2026

What is Neighbour Day?

Neighbour Day is Australia's annual celebration of community connection on the last Sunday in March – 29 March 2026! It's a chance for everyone to connect with their community in their own way.

Research shows that community connections increase belonging, improve wellbeing and build stronger, more resilient communities.

The theme for 2026 is **Belonging Every Day** – encouraging us all to make belonging part of daily life through small acts of connection, kindness and inclusion.

Every connection counts. Whether it's a smile, a conversation or a shared moment, these everyday actions help create communities where everyone feels they matter.

Join us in building belonging that lasts beyond one day. Let's make it something we live every day of the year. Visit neighbourseveryday.org for more information and resources.
